

## **BAT Extension**

Are you interested in seeing the 2 Brookwood bus route extended to Brookwood Meadow Plaza? The BAT could be a great commute option for you as well as employees of businesses in the shopping plaza. Currently, the closest bus stop is at Pinebrook and Brookwood Blvd. If you support extending the 2 bus route to Amber Meadow Drive, then please submit your request to Heather Ornelas, Transit Manager for the City of Bend. Your suggestion will be added to PTAC's list of requested system improvements for discussion when they begin their annual process in February/March. The more interest we show as a community, the more likely the idea will gain momentum. Ms. Ornelas can be reached by email at [hornelas@ci.bend.or.us](mailto:hornelas@ci.bend.or.us) or by phone at 541-317-3023.

Thank you!
