

SW Neighborhood Clean Up Committee

Friday February 26, the SW Neighborhood Clean up Committee did their first activity for 2010. Seven neighbors tackled the trash on Brookswood from Powers to Lodgepole. Nine bags of trash (and 2 abandoned Christmas Trees) were collected. Many thanks to: Joe Barry, Gene Duncan, Bruce & Judy Finney, Dave & Merrily Cook, and Teri Shamlian for a job well done!

The Committee plans to alternate trash pickup days and weeding days during the year. For more information on how you can get involved contact Carol Billingsley at caroljean442000@yahoo.com
